

DSB Update
Sent: 10-May-2017

Dear All

A quick update on the Derivatives Service Bureau.

Commodity Derivatives are now available in the DSB UAT environment (<https://uat.anna-dsb.com/>)
. Product Definitions can be obtained from github: <https://github.com/ANNA-DSB/Product-Definitions> .

A few other key upcoming items:

- The second Product Committee consultation on product definitions closes on **12 May 2017** and can be found here: <http://www.anna-web.org/home/derivatives-service-bureau/dsb-pc-consultation-2/>
- The DSB will be holding a **Webinar on the Fee Model** on **15 May 2017 at 14:00 BST**. To register please email secretariat@anna-dsb.com for details
- The second Fee Model consultation is now open and closes on 31 May 2017: <http://www.anna-web.org/dsb-consultation-fee-model-2/> .

Best regards
