# NOTIFICATION: ANNA DSB UAT – FIX Certification

**Audience: FIX users via VPN**

**Notification details:**

- Successful completion of the ANNA DSB's FIX Client Certification is an important milestone in being on-boarded into the DSB's Production environment.
- FIX Certification is now available for FIX registered users to certify the FIX Application connectivity to ANNA DSB FIX interface.
- The FIX certification process is designed to ensure that Applications connecting to the fix-uat.anna-dsb.com are fully compliant to the ANNA DSB FIX Specification.
- Details about the FIX Certification can be found in the attached User Guide and via Github
- FIX Certification is accessible via https://certs.anna-dsb.com:8443/conductor/login.html

**Action Required:**

- For existing clients connected via VPN, additional IP needs to be configured on the VPN to allow connectivity to the FIX certification server.
- Please contact technical.support@anna-dsb.com if you want to register to the FIX Certification.

Please contact Technical.support@anna-dsb.com for all support & connectivity issue.
