## NOTIFICATION: DSB UAT – File Download URL Changes

**Audience:** All DSB Users

**Implementation date in UAT:** 9<sup>th</sup> September 2017

**Notification details:**

- As part of the DSB's production readiness effort, the URL of the UAT File Download services will be changed on Saturday 9<sup>th</sup> September 2017.

### Revised URL (from Sat 9th September 2017):

- <https://uat.anna-dsb.com/file-download/isin/<YYYYMMDD>/> (**ISIN Records**)
- <https://uat.anna-dsb.com/file-download/json-schema/isin-product-definitions> (**Product Definition Templates**)

### Current URL (until Sat 9th September 2017):

- <https://uat.anna-dsb.com/file-download/<YYYYMMDD>/> (**ISIN Records**)
- <https://uat.anna-dsb.com/file-download/ProductDefinitions/> (**Product Definition Templates**)
- <https://uat.anna-dsb.com/file-download/file-download-automation.readme.txt>, will remain in the same location and the examples which is part of the instruction will be updated to reflect the new directory structure.
- The ReST API document found in <https://github.com/ANNA-DSB/ReST/tree/master/docs> will be updated in accordance with the new file download location.

### Action Required:

- UAT Rest API users utilizing the Download historical ISINs function (file-download) will need to make the necessary changes to their codes to reflect the new URL location.
- No action required for UAT FIX users as this is for informational purposes only.
