

**DSB Update - Q4 17 Implementation timelines**

**Sent: 29-Sep-2017**

Dear all,

As previously advised - the DSB has published the following document today on GitHub:

**DSB Q4 17 Implementation Timelines** [<available here>](#) – The document details the product definitions that are scheduled for release in Q4 17, specifically covering the following:

- FX Swaps
- CDS on Loan underlying
- Cross Currency Inflation Swap
- Non-Standard Product Definitions
- Equity Index & Basket Definitions
- Commodity Multi-exotic Definitions

For teams seeking to develop and test these templates:

- Please contact [technical.support@anna-dsb.com](mailto:technical.support@anna-dsb.com) to obtain UAT access
- Templates for the products above will first be made available in GitHub for user development, followed by UAT and finally PRODUCTION according to the schedule above

Kind Regards,  
DSB Secretariat
