

NOTIFICATION: Q2 2018 DSB ToTV/uToTV Release Dates

Audience: All DSB Users

Notification details:

The purpose of this note is to inform DSB Users on release dates for the DSB's ToTV/uToTV service into Production.

With the industry load test analysis successfully completed and the stability issues resolved in production, the DSB will now schedule to deliver its ToTV/uToTV service to Production on **25 June 2018** based on the scope previously communicated [here](#). Between now and 11 June 2018, the DSB will update the UAT environment iteratively to address any identified usability issues with the service, including addressing issues documented on GitHub [here](#).

Timeline:

- **21 May 2018** – Update of ToTV/uToTV codebase in UAT based on industry and regulator feedback
- **11 June 2018** – Code freeze in UAT
- **25 June 2018** – DSB's ToTV/uToTV service will be released to **Production**

Action Required:

The DSB welcomes continued feedback on its ToTV/uToTV service. Please send all feedback to technical.support@anna-dsb.com.

Please contact Technical.support@anna-dsb.com for all support & connectivity issues.
