

NOTIFICATION: DSB Production Maintenance on 10th November 2018

Audience: All DSB users

Notification details:

The purpose of this notification is to inform DSB users that the Production environment will be undertaking routine maintenance within the scheduled maintenance window this coming weekend. The same maintenance was done on UAT last September 29th (attached) and has been confirmed to be seamless.

Impact to users:

- This change should be seamless and no impact to the users is to be expected.

Implementation timelines:

- **Production:** 12:00 PM UTC Saturday 10th November to 12:00 PM UTC Sunday 11th November 2018.

Action Required:

- No action is needed as this will be done during the regular weekend maintenance window and is entirely informational.
