

NOTIFICATION: DSB UAT2 Environment Readiness

Audience: All DSB Fee Paying Users or All DSB Users with existing Production Contract

The purpose of this notification is to advise you that a second UAT environment (named DSB UAT 2) is now available to fee paying users.

The UAT2 environment was requested by the [DSB Technology Advisory Committee](#) (TAC) as an additional test environment for programmatic users to test their own software changes against the DSB's current Production level of software.

Please note:

- The UAT 2 database will be created with an empty ISIN and ToTV/ uToTV database*
- Product Definitions used in UAT 2 will mirror the Product Definitions used in Production
- Acceptable Usage of UAT 2 will follow the same rules used for UAT

**On-going consultation regarding the population of data will continue with the TAC.*

Action Required:

All DSB fee paying users who wish to access the DSB UAT 2 environment are required to register. To register please download and complete the registration [form](#) and send this to technical.support@anna-dsb.com.

Please contact technical.support@anna-dsb.com for all support & connectivity issues
