29th October 2020

NOTIFICATION: DSB WEB Application Component Upgrade

Audience: All DSB Users

Notification details:

The purpose of this notification is to inform DSB users that the **UAT DSB GUI and REST API** services will be on an early maintenance schedule on 31st October 2020. This extended maintenance period is required to provide ample time for the DSB WEB Application Component Upgrade and release of minor enhancements to ensure system security can be applied alongside the standard weekend change releases.

This does NOT affect the Production maintenance window which is scheduled every week from 00:30 AM UTC Sunday to 12:30 PM UTC Sunday.

Release Schedule
