

7th October 2021

## DSB to Extend HAP until Sunday 5th December 2021

Dear DSB Users,

Having consulted the Technology Advisory Committee for further guidance, the DSB will extend the current Heightened Awareness Period until **5th December 2021** at which point the DSB will enter its annual year-end change freeze period.

During the HAP, change will be permitted, but is subject to additional governance and controls, with users supported by timely communication to aid their preparations.

A further update will be provided in January 2022, prior to the end of the change freeze period.

Regards,  
DSB Technical Support Team
