Dear DSB Users,

After consultation with the TAC in March 2022, the DSB will extend the current Heightened Awareness Period (HAP) out until the end of Q2 2022. During the HAP, change will be permitted, but is subject to additional governance and controls, with users supported by timely communication to aid their preparations. The HAP will run until Sunday 3rd July 2022.

The DSB will continue to monitor the situation closely. A further update will be provided after the TAC meeting in June 2022.

Regards,
