

Dear Users,

The purpose of this notification is to inform DSB ToTV users of the release schedule to resolve the underlying internal issue detailed in the notification below and to re-enable the ESMA transparency processing.

**UAT Implementation Timeline:**

Mid-week Maintenance Schedule: Wednesday 1st June 2022: 02:00 AM - 07:00 AM UTC

**Production Implementation Timeline:**

Standard Maintenance Window: Sunday 12th June 2022: 00:30 AM - 12:30 PM UTC

Regards,

DSB Technical Support Team

---

7th March 2022

**NOTIFICATION : DSB ToTV Service Update**

Dear Users,

The purpose of this notification is to inform DSB ToTV users that the DSB will temporarily disable the ESMA transparency processing in both UAT and Production. This is due to

an underlying internal issue which was identified this morning.

A further notification will be sent out once the issue has been identified along with the respective dates when the service will be reinstated.

<b>Schedule</b>	
<b>UAT environment</b>	<b>7th March 2022</b>
<b>Production environment</b>	<b>8th March 2022</b>

**Impact to users:**

- The ESMA transparency information will be temporarily unavailable to users in UAT and Production.

**Action Required:**

- This is an informational notice. No action is required by DSB users at this time.

Regards,

DSB Technical Support Team
