NOTIFICATION: Incorrect Schemas in UAT File Download

Audience: All UAT DSB Users

Notification details:

The purpose of this notification is to inform UAT users that the schemas found at https://uat.anna-dsb.com/file-download/json-schema/isin-product-definitions/ and https://uat.anna-dsb.com/file-download/json-schema/normalized-isin-product-definitions/ have been corrected due to an issue brought about by the Dynamic Enumerations release which took place on 21st May 2022.

Impact to users:

DSB UAT users retreiving the DSB product definitions by using the UAT EOD File Download service may be getting the incorrect Denormalised and Normalised schemas.

Action Required:

DSB users who are consuming the EOD file-download Normalised and Denormalised schemas are advised to re-download the files to get the correct set of schemas.
