

NOTIFICATION: DSB welcomes EMIR Refit Publication: UPI mandate now in EU law

Audience: All DSB Users

Notification details:

This notification is to advise users that the DSB welcomes the publication of the [EMIR Refit reporting technical standards](#) in the Official Journal of the European Union making the Unique Product Identifier (UPI) part of EU law. The DSB will provide a User Acceptance Test (UAT) environment for the UPI service in 2023 to assist prospective UPI users with their UPI readiness implementation planning.

To read the full press release please visit [here](#) on the [DSB website](#).

For more information on the UPI, please follow the link to the DSB website: <https://www.anna-dsb.com/upi/>
