Notification: Security Incident for the DSB 27th February 2023

Audience: All DSB Users

Notification Details:

On the morning of the 27th of February 2023, a Derivatives Service Bureau service email account was compromised and used by a third party to send spurious emails. The mailbox security rules detected the malicious emails and suspended the email account. The incident was remediated and the account was brought back on-line by 12:00PM UTC on the 27th of February 2023. No DSB data was accessed and no DSB clients were contacted by the third party.

We are continuing to monitor the situation and will provide a further update should it be required.

Action Required:

This is an informational notice. No action is required by DSB users at this time.
