NOTIFICATION: DSB GUI Password Reset Issue (UAT)

Audience: All DSB UAT Users

Notification details:

The purpose of this notification is to inform DSB users that we are currently having an issue with the Reset Password Functionality in the DSB UAT GUI environment. GUI users who request to reset their password will not receive the email notification containing the password reset link. This is currently being investigated and a further update will be sent once the issue is resolved.

Action Required:

- This is an informational notice. No action is required by DSB users at this time.
