

Dear DSB UPI UAT Users,

We would like to inform you that we will extend the DSB UPI UAT (UAT3) maintenance for an additional of 4 hours to complete the planned deployments which have taken longer than expected.

Thank you for your patience and understanding.

Regards,
DSB Technical Support

4th November 2023

NOTIFICATION: DSB UPI UAT (UAT3) Extended Weekend Maintenance Schedule for 4th November 2023

Audience: All DSB UPI UAT users

Notification details:

The purpose of this notification is to inform DSB users that the DSB UPI UAT (UAT3) services will be on an extended maintenance schedule today, 4th November 2023 from 12:30:00PM UTC to 02:30:00PM UTC. This extended maintenance period is required to complete the planned deployments which have taken longer than expected.

Impact to users:

The UPI UAT (UAT3) DSB services will be unavailable for an additional period of 2 hours.

Action Required:

DSB UAT users will need to ensure that they do not attempt to reconnect to the UPI UAT (UAT3) service until after 02:30:00PM UTC on today, 4th November 2023.
