

7 January 2026

**Audience: All DSB Users**

The purpose of this notification is to remind all users that the DSB's year-end change freeze affecting the OTC ISIN and UPI Production environment will end at **00:30 UTC on Sunday 11 January 2026**.

Please note that no action is required as this notification is for information purposes only. If you have any queries, then please reach out to the DSB Technical Support Team at [technical.support@anna-dsb.com](mailto:technical.support@anna-dsb.com).

Kind regards,  
DSB Technical Support Team

---

26 November 2025

**Audience: All DSB Users**

This is a reminder that the Year-End Change Freeze for the DSB Production Environment will soon take effect and will apply to both the OTC ISIN and UPI services.

**Change Freeze Window:**

Sunday, 14th December 2025, 12:30 PM UTC to Sunday, 11th January 2026, 00:30 AM UTC

**During the Change Freeze:**

- No code changes will be implemented in the DSB Production Environment (including enhancements, new templates, etc.).
- Only emergency changes will be permitted if they are critical to daily operations. If such changes occur, advance notification will be provided.
- Regular weekend maintenance will still be in effect. For further details, users may refer to:
  - ISIN - DSB Environments: <https://www.anna-dsb.com/ISIN/#isin-environments>
  - COSP UPI Environments: <https://cosp.anna-dsb.com/home#upi-environments>

**Action Required:**

No action is required—this reminder is for information purposes only.

Kind regards,  
DSB Technical Support Team

## **NOTIFICATION: INFORMATION ONLY - Year-End Change Freeze – Production Environment**

**Audience: All DSB Users**

**Notification Details:**

The purpose of this notification is to inform all users that a Year-End Change Freeze will be enforced in the DSB Production Environment affecting both the OTC ISIN and UPI services.

**Change Freeze Window:**

Sunday 14th December 2025 12:30 PM UTC to Sunday 11th January 2026 00:30 AM UTC

**During the Change Freeze:**

- No code changes will be implemented in the DSB Production Environment, e.g. enhancements, new templates, etc.
- Emergency changes will be allowed should they be considered affecting daily operations. In the event these occur, users will be provided with advance notification.
- Regular weekend maintenance will still be in effect. Users may refer to the Operating Hours for both ISIN and UPI, available at <https://www.anna-dsb.com/ISIN/#isin-environments>, for further information.

**Action Required:**

Please note that no action is required as this notification is for information purposes only.

Kind regards,  
DSB Technical Support Team
