20 February 2026

INFORMATIONAL NOTIFICATION: DSB FIX Component Upgrade

Audience: All DSB FIX Users

Notification Details:

This notice is to inform all DSB users that several scheduled updates will be implemented as part of our upcoming maintenance activities. Please note that these updates will occur at different times and follow separate maintenance schedules.

Please see the below release dates:

Release Schedule	
UAT Environment	22 February 2026
	8 March 2026
	15 March 2026
UAT2 Environment	28 March 2026
Production Environment	28 March 2026
	4 April 2026
	11 April 2026

Impact:

- This change should be seamless and no impact on the users is to be expected.

Action Required:

- DSB users must ensure they are disconnected from the respective DSB environments before the release schedule.

Please contact the DSB Technical Support Team via email at technical.support@anna-dsb.com if you have any questions in relation to this notification.

Kind regards,

DSB Technical Support Team
