DSB Technical Support Team

16 July 2026

Audience: All DSB Users

Notification Details:

This notice is intended to inform DSB Users of the revised release schedule for the DSB System Component Update. Following the successful completion of UAT on 10 June 2026, the schedules for UAT2 and Production have been updated as follows:

Release Schedule	
UAT2 environment	18 July 2026
Production environment	18 July 2026

Impact:

This change should be seamless and no impact on the users is to be expected.

Action Required:

DSB users must ensure they are disconnected from the respective DSB environments before the release schedule.

Please contact the DSB Technical Support Team via email at technical.support@anna-dsb.com if you have any questions in relation to this notification.

Kind regards,
DSB Technical Support Team
