**INFORMATIONAL NOTIFICATION: DSB System
Component Update**

Audience: All DSB Users

Notification Details:

This notice is intended to notify DSB users that, as part of the weekend maintenance, there will be a DSB Component Update on the following dates:

Release Schedule	
UAT environment	2 August 2026
UAT2 environment	15 August 2026
Production environment	22 August 2026

For the milestones of the release, please visit [DSB System Component Update^{\[1\]}](#).

Note: Implementation will be carried out during the DSB's maintenance window.

The UAT2 deployment follows the observation period in the initial UAT environment. Upon a successful observation period, the DSB plans to subsequently deploy this release to the Production environment.

Impact:

This change should be seamless, with no impact on the users is expected.

Action Required:

DSB users must ensure they are disconnected from the respective DSB environments before the release schedule.

Please contact the DSB Technical Support Team via email at technical.support@anna-dsb.com if you have any questions in relation to this notification.

Kind regards,
DSB Technical Support Team
