Title	Add new Credit Index values		
Background	IHSMarkit recently released a new Credit indices to their index list. The new Indes was made available to trade on the 14th January 2021 **Itraxx Asia ex-Japan IG (Restricted)** This update will impact all templates within the CREDIT and OTHER Asset Classes that include an Underlying Instrument Index as an Underlying.	**JIRA**	DSB-1118
		Type	Enumeration
		Owner	Adam
		Version	1
		State	Final
Terms of Reference	Scope	• Any Credit (and Cross-Asset) templates that include an Underlying Instrument Index as an underlying asset.	
Change Details	For each of the in-scope templates, the following enumerated values will be added to the Underlying Instrument Index: **Itraxx Asia ex-Japan IG (Restricted)** The elaboration for these values will be set to: **Itraxx Asia ex-Japan IG (Restricted)**		
Validation	ISIN generation requests based on these Indices will not be subject to validation based on Expiry Date or Creation Date.		
Derivation	The following values will be derived for the <u>ISO Underlying Instrument Index</u> attribute: **Itraxx Asia ex-Japan IG (**		
Change Impact	The Request and Record templates for the below products will be impacted by the introduction of the new Credit Indices: Enumerated value to be added to <u>Underly Instrument Index</u>: • Credit.Swap.Index • Credit.Swap.Index_Tranche • Credit.Swap.Non_Standard • Credit.Swap.Total_Return_Swap • Credit.Option.Non_Standard • Other.Option.Non_Standard • Other.Swap.Non_Standard • Other.Other.Non_Standard		
Backward Compatibility	The introduction of the new Credit Indices is not expected to result in the creation of new product template versions. Access to existing ISIN records will not be impacted by this change.		

Documentation	The following DSB documents are to be updated: • DSB UAT Annex 7 Indices • DSB PROD Annex 7 Indices
References	Information regarding the addition of the new **iTraxx** index: Following the previous announcement relating to launch of iTraxx Asia ex-Japan IG (Restricted) indices, IHS Markit has now published RED C all new index series. The new index series will be available for trading from Thursday, 14th January 2021 onward.
