

DSB Change Password Guide

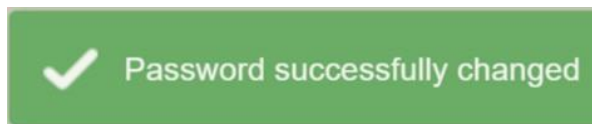

1. From DSB page, click username@mail.com and select **CHANGE PASSWORD**.

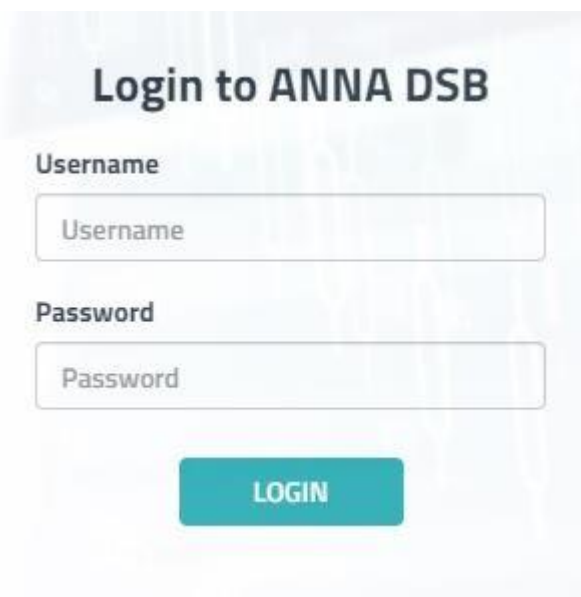

2. Input **Old Password** (Note: Old Password is Required)
Input **New Password** (Note: New Password must be at least 12 characters with a maximum of 30 characters allowed with a combination of numeric, uppercase letter, lowercase letter, and special characters. Password must not contain a whitespace character and are case-sensitive).
Input **Confirm New Password** (Note: New Password must be at least 12 characters with a maximum of 30 characters allowed with a combination of numeric, uppercase letter, lowercase letter, and special characters. Password must not contain a whitespace character and are case-sensitive).
Click **“Update”** button.

The screenshot shows a 'Change Password' dialog box with a close button (X) in the top right corner. It contains three input fields: 'Old Password', 'New Password', and 'Confirm Password'. Each field has a toggle icon (an eye) to the right, indicating that the password is currently masked. Below the input fields is a note: 'NOTE: Changing your password will log you out. You will be prompted to enter your new password to continue.' At the bottom right of the dialog is a teal 'UPDATE' button.

3. Expect a notification bar at the bottom of the page that the password has been changed.

4. Enter your new password to continue

A login form titled "Login to ANNA DSB". It features two input fields: "Username" and "Password". Below the fields is a teal "LOGIN" button. The form is set against a light blue background with a faint image of a person's face.
