1	Review of Open Actions
----------	-------------------------------

- **Action 21:** Secretariat to agree a timeline and present to the taskforce on 14th August. Item remains open pending build for Rates Request templates and completion of scope of work
 - **Action 25:** ISDA to confirm the intended implementation of providing JSON request templates that contain the ISDA display names and FpML enumerations is also the expectation of the Symbology & Governance committee. Action closed. In addition, ISDA requested Rates be completed first, then followed by other asset classes
 - **Action 27:** The DSB will revert back to the taskforce on index maintenance once a proposal is established with the Product Committee, remains open
 - **Action 34:** The DSB to send the link of Equities Indices that has been published by ESMA as request by ISDA
 - **Action 28:** Secretariat to circulate Open Issue spreadsheet to ISDA for review and action where necessary, action closed.
 - **Action 29:** ISDA to take the 25-character truncation to the EU Regulatory Reporting Group to ensure industry best practice, remains open.
 - **Action 35:** ISDA to provide an update to the 25-character truncation approach next week
 - **Action 30:** ISDA to advise once best practice guidance is received from GFMA on defaulting of option type for Forward Vol Agreement, Digital and Target Options, remains open
 - **Action 31:** ISDA to review and provide feedback on new items for FX Barrier and Target Options, action closed
 - **Action 32:** DSB to design the Product Definition Request for Rates containing ISDA display names and FpML enumerations for review in the meeting on 18th September, action closed.
-

-
- **Action 33:** DSB to conduct analysis against earlier mapping work completed in August and compare shortfall against FpML names on Rates Request template and present back to group, actionclosed.
-

2 Review of ISDA analysis performed – Rates, Credit, FX & Equities

- Outstanding gaps per asset class were reviewed on the call
 - All open items have been closed out across asset classes, with the exception of one item for Credit regarding Index enumerations
-

3 Review of Rates Request Template

- DSB provided a draft Rates Request template for all Rates products for review and have requested feedback to be provided by next meeting
 - **Action 36:** The DSB will create Rates Product Definition consultation paper and provide a draft version to the Taskforce on the 9th October
 - ISDA advised that the data dictionary that they will be creating will not need to be part of the consultation paper mentioned above and will be released at a later date
-

4 Next Steps

- DSB to provide Rates Product Definition consultation paper by 9th October
 - ISDA to continue to develop the data dictionary appendix
-
